On the occasion of your retirement, after 27 years devoted service to FBIS, I want to thank you for your work in providing safe transportation for the many Government employees and their families who have visited London Bureau during that very long period. FBIS is greatly appreciative of your work and your cheerful and helpful approach to your duties.

The bureau's mission is one of the most important in support of the U.S. Government's program in dealing with foreign media. You have played your role in the program commendably and you will be greatly missed in the future.

Personally, and on behalf of all your many friends in FBIS, I wish you and Trudy the happy and healthy retirement you richly deserve.

Sincerely,
